

# Jazzy®

## 1170XL

### Combining tight-quarter maneuverability with exceptional outdoor capability

The Jazzy 1170 XL is a stylish, high performance power chair that combines larger motors and a longer frame to allow for a 30% increase in torque, a top speed of 6 mph and a 400 lbs. weight capacity. Plus, it comes standard with Active-Trac® Suspension which provides for great outdoor performance and rough terrain handling. The Jazzy

1170 XL is the ultimate power chair for the active outdoor user who still requires tight-quarter maneuverability.

Jazzy 1170 XL shown in Viper Blue with optional high-back seat, standard PG VSI controller and foot platform.

#### POWER

Larger motors and a longer, wider frame for increased torque

#### STRENGTH
