

Legend[®]

3 and 4-wheel scooters

The new Legend Scooter combines the latest style and performance technology at a great value. Standard features include a top speed of up to 5.75 mph, 350 lbs. maximum weight capacity and an easy lock-up system for quick disassembly. Plus, the new lower dual-bulb headlight offers excellent pathway illumination. The Legend's sleek styling and advanced features will have you turning heads every time you turn a corner.

Experience
the new Legend,[®]
and life, like
never before!
